# Dr. Susana Fontana

## Leading the Way in Aesthetic and Dermatological Care

Dr. Susana Fontana brings a wealth of experience in dermatology, aesthetic medicine, and nutrition. Her approach combines advanced treatments with a holistic philosophy, focusing not only on the skin but also on overall wellness. With an MD, GPST, MICGP, PGDip in Aesthetic Medicine, PGDip in Nutrition, and a Diploma in Dermatology, Dr. Fontana ensures that each patient receives personalized care that aligns with their unique skin needs and health goals. Having practiced in Barcelona before relocating to Dublin, Dr. Fontana's extensive experience allows her to integrate medical, aesthetic, and nutritional elements into a comprehensive treatment plan.

At Hazel Clinic, Dr. Fontana leads with a holistic approach that treats the skin from the inside out. Understanding that true beauty and radiance come from a balanced combination of skincare, nutrition, and overall wellness, she provides treatments that address not only external skin concerns but also underlying health factors. By focusing on the individual, Dr. Fontana customizes each treatment plan to promote long-term results and sustainable health. Whether you're seeking anti-aging solutions, skin rejuvenation, or general dermatological care, Dr. Fontana's thoughtful and comprehensive approach ensures that you leave feeling rejuvenated, confident, and well cared for.
